PROJECTS AND REFERENCE WORKS

ARCHIVES PROJECT

Considering the need for and the importance of documentation in the field of literature, Sahitya Akademi has launched a project for an Archives of Indian Literature since March 1997. The Archives when set up in a full-fledged way will collect and preserve precious material connected with writers and literature like manuscripts, photographs, audio recordings, video recording and portraits, etc.; would build up a solid basis for a museum of Indian Literature by collecting available video films all over India, manuscripts of writers, interesting letters among writers and available audio-recordings of interviews and reading, etc. The Archives has already initiated scanning and preserving in CDs ROMs some of the most important photographs. Over a hundred photographs, after careful selection, have now been preserved in portfolio.

Sahitya Akademi already has a project of archives of films and the video recordings related to Indian writers and their writings. Video documentaries of the Akademi on the best of Indian writers attempted to document their images, voices, the momentous events that

moulded their lives and vision and the contemporary response to the creative achievements. These video films archives will be the seed of a unique Indian literary museum of the future, a delight to the common reader and useful to literary researchers and historians. These films have been produced by directors who are creative artists in their own right. The Akademi has so far produced 112 films on the authors and CDs of some of these films are also on sale.

The correspondence with the Akademi has been reviewed and the important letters of Jawaharlal Nehru, S. Radhakrishnan, Krishna Kripalani, Zakir Husain, C. Rajagopalachari and other eminent personalities have been laminated and bound in book form for preservation. Digitization of all Master Beta films has been done. The work of accessioning, proper labeling and cataloging of audio tapes have also been completed till 2010, after checking their authenticity.

Z.A. Burney has been the Director of the Archives Project since July 2004.

NATIONAL BIBLIOGRAPHY OF INDIAN LITERATURE

As per the Sahitya Akademi Executive Board's decision dated 19 August 2002, the second series of the NBIL has been taken up covering the period, 1954-2000 to serve the scholars, librarians, publishers, booksellers and those interested in the book world as a valuable tool of reference.

The second series will cover all books of literary merit and abiding value in the field of

literature and allied subjects published between 1 January 1954 and 31 December 2000.

The project plans to compile bibliographic data of 22 Indian languages. Assignments have been made to specialists in twenty-two languages. They are already in different stages of compilation under the editorship of Z.A. Burney. Compilation of bibliographic data of Assamese, Bengali, Dogri, English, Kannada,

Kashmiri, Konkani, Maithili, Malayalam, Marathi, Manipuri, Nepali, Oriya, Rajasthani, Sanskrit, Sindhi, Tamil, Telugu and Urdu has been completed by the respective compiles.

Process of printing is started. Malayalam and Urdu have seen the light of the day. Kannada and Tamil are going to be published this year.

CENTRES FOR TRANSLATION

The Akademi has set up two Centres for Translation one at Bangalore and the other at Kolkata. These Centres are meant to bring out special series of books from the languages of the region translated into English and other

languages. We have launched a series of pre-modern classics from the two centres. The Bangalore centre has also launched a new project, 'Asmita'.

ENCYCLOPAEDIA OF INDIAN LITERATURE

A major activity of the Sahitya Akademi is the preparation of an Encyclopaedia of Indian Literature. The venture, covering twenty-two languages of India, is the first of its kind. Written in English, the Encyclopaedia gives a comprehensive idea of the growth and development of the Indian literature. The entries on authors, books and general topics have been tabulated by the concerned Advisory Boards and finalised by a Steering Committee. Hundreds of writers all over the country contributed articles on various topics. The Encyclopaedia planned as a six volume project, has been brought out. Each volume of approx. 1000 pages is in demi quarto size.

The first three volumes were edited by Professor

Amaresh Datta, fourth and fifth volume by Professor Mohan Lal and the sixth volume by Sri Param Abichandani and Sri K.C. Dutta.

The revision work of the Encyclopaedia project was taken up under the Editorship of Professor Ayyapa Panikar. Presently Professor Indra Nath Choudhuri is associated with the project as its Chief Editor. The first and second volume of the Revised Edition has been brought out. The work on the third volume of the Revised Edition is completed and has been sent for print. The work on the fourth volume of the Revised Edition is in progress at the Sahitya Akademi Regional Office, Kolkata.

HISTORY OF INDIAN LITERATURE

It is a project of the Akademi meant to give a wholistic account of the literary activities in India down the ages, in the various languages and under different social conditions. Three volumes covering the period from 500-1399, 1800 to 1910 and 1911 to 1956, authored by Prof. Sisir Kumar Das, have been published.

EASTERN REGIONAL TRANSLATION CENTRE

The Translation Centre at Santiniketan had been transferred to the Regional Office at Kolkata. Its Honorary Director is Professor Swapan Majumdar. It deals with languages of the eastern region and promotes translations among these languages. Translations from and into recognised Indian languages of pre-modern texts may be taken from time to time so that (a) significant texts in eastern languages may be available in other languages and (b) such texts in other languages may be available in eastern languages. It is meant to accelerate translation activity. This Centre's scope of

activities include assigning translations, generating anthologies of translations, organising practical translation workshops and seminars on translation theory and practice, sensitizing graduate students on the need and quality of translation and the like. The operation field of E.R.T.C., in case of target languages, is limited to the languages of the eastern region and the choice of source languages is pan-Indian, though inter-eastern regional language translations enjoy greater priority.

BI-LINGUAL DICTIONARY PROJECT

In 2004, Sahitya Akademi initiated a project of compiling several bi-lingual dictionaries. In the first phase, plans were taken up for Bengali-Assamese, Bengali-Odia, Bengali-Maithili, Bengali-Manipuri and Bengali-Santhali dictionaries. Editorial boards were formed for each dictionary with eminent scholars, lexicographers and language experts of different languages. A central editorial board was also formed for setting up guidelines and general supervision work during the making of the manuscript and subsequent production.

It has been observed that in almost all the languages of Eastern India, mono and bi-lingual dictionaries with English as one language were more or less available, but bi-lingual dictionaries like Bengali-Manipuri or Manipuri-Assamese etc. were almost absent. In its effort to increase the bond between the languages of neighbouring states, Sahitya Akademi gave ample stress in translating literary works of one language into other languages. But non-availability of adequate dictionaries

became a stumbling block and the translators could not be provided with reliable dictionaries to facilitate their work. At this juncture, Sahitya Akademi was constrained to take up the dictionary projects.

These dictionaries will be of moderate size containing 40000-45000 words and phrases as entries. In the description part, it was proposed to give pronunciation symbols in IPA (International Phonetic Association), sources, such as Sanskrit, Arabic etc., parts of speech, descriptive meaning (more than one, if required) examples, derivatives etc. The whole project is under the editorial guidance of Professor Ashoke Mukhopadhyay, an eminent lexicographer.

The first dictionary of the project, Bengali – Maithili bilingual dictionary was released on 1 May 2012. The Bengali – Santali bilingual dictionary was released on 14 August 2012. Bengali – Manipuri dictionary was published and Bengali – Assamese is expected to be published within this year. Compilation of

the other two bilingual dictionaries which are Bengali – Nepali and Bengali – Odia are in progress. A new editorial team will be assigned for the compilation of the Bengali – Bodo

dictionary. A proposal of Santali-Bengali dictionary has been received and it will be discussed in the next Advisory Board Meeting.

NORTH-EAST CENTRE FOR ORAL LITERATURE

The main purpose of North-East Centre for Oral Literature is to collect and publish folk & modern oral literature. It organizes folk festivals, reading sessions of prose and poetry of oral literature, literary forums, seminars, symposia, workshops, etc. It translates from North-Eastern oral languages to other recognized Indian languages. It also helps to build up a relation through regular interaction between North-Eastern oral languages and other major Indian languages. Presently Smt. Minakshi Sen Bandyopadhyay is the Director of the centre. It has already translated and published materials from languages like Lepcha, Kokborok, Mising, Bongcher, Garo, Mog into English.

In this year this Centre has organized a symposium on Ralte Language in Mizoram and a Two - day literary forum on Halam literature at Teliamura on 26 – 27 February 2012. This centre had done all the preparatory works for Adi convention in Arunachal Pradesh. This centre also helped to organize Santhali and Bengali Board's Seminar held in Agartala.

NECOL was participated in two books fairs, one Pustak Mela organized by publisher's guild, Tripura, and other Agartala Book fair organized by Dept. of I.C.A, Govt. of Tripura.

ENCYCLOPEDIA OF INDIAN POETICS

This ambitious project of the preparation of the encyclopedia of Indian Poetics supported by Union Académique Internationale had been taken up by the Akademi under the editorship of Prof. Kapil Kapoor. There are about 900

articles on the subject representing all Indian languages have already been received and duly edited. The volume is being prepared for publication.
